

Name: _____ Grade: _____

Date: _____ Score: _____

INSTRUCTIONS

On the lines next to each object, write its length in **CENTIMETERS** and **MILLIMETERS** using the MAGIC METER in each **question** to guide you. When objects that **DO NOT** begin at **ZERO**, you have to **SUBTRACT** the **start** and **ending values**. (You can multiply the cm by 10 to get mm).

Lets Measure Metric Units!

a)  _____ cm
Crayon _____ mm

b)  _____ cm
Key _____ mm

c)  _____ cm
Candy _____ mm

d)  _____ cm
Paper Clip _____ mm

e)  _____ cm
Toothpick _____ mm
